2025 Sponsorship

2025 marks a year of significant growth for PIE as we continue to grow in both staff and program participants. Our staff carry vast languages and lived experiences reflective of our community as we scale-up employment pathways.

Exciting ventures feature new cohorts for our Café PIE barista program, expanding youth environmental programs, ESL & Digital Literacy classes, as well as ways for our partners to engage through mentorship volunteering and events including our 2nd Annual, PIE for the PEOPLE gala.

As we enter this exciting new chapter in our journey, we truly hope you'll consider empowering us through a sponsorship amount that is meaningful for your organization.

2025 Sponsorship

Leaders in Refugee & Immigrant Employment in South King County

Your partnership would be truly empowering as building bridges between our communities is essential for authentic relationships. Your gift of financial flexibility would also help free us to quickly respond to the everchanging needs of our community.

Benefits as a 2025 PIE sponsor include:

- A table of 10 seats & logo visibility at our PIE for the PEOPLE Gala on Thursday, April 10th
- Intentional volunteering opportunities for groups and individuals
- Recognition on our newsletter, website, social media, and at our annual Café PIE Fall Social event
- Opportunities to authentically engage our community via luncheons on career paths and other helpful coaching topics

From all of us at PIE, thank you for the chance to authentically partner with you and your team!
